

**STATE OF NEW HAMPSHIRE
DEPARTMENT OF ENVIRONMENTAL SERVICES
AIR RESOURCES DIVISION
CONCORD, NH**

NOTICE OF PUBLIC HEARING

In accordance with N.H. Administrative Rule Env-A 204.01(b), notice is hereby given that the New Hampshire Department of Environmental Services, Air Resources Division, will hold a public hearing on a proposed amendment to the NH Code of Administrative Rules on **Monday, February 27, 2006**. The public hearing will be held in the auditorium on the first floor of the offices of the Department of Environmental Services, 29 Hazen Drive, Concord, NH.

At **9:00 a.m. on Monday, February 27, 2006**, the Department will receive testimony from the public concerning **Env-A 607.03 and Env-A 624, Permits for the combustion of non-exempt fuel**. These rules are being proposed pursuant to N.H. Law of 2005, Chapter 173, "An act relative to best available technology for air pollution control" and will require any source that proposes to burn a non-exempt fuel to perform a best available control technology (BACT) analysis, air pollution deposition modeling, and a health risk assessment as part of their permit application.

Testimony may be presented orally and/or in writing at the public hearing. The Department will receive written comments on the proposed rules until **4:00 p.m. on Friday, March 10, 2006**. Please submit written comments to Brian Jennison, Planning Specialist, Air Resources Division, NH Department of Environmental Services, P.O. Box 95, Concord, NH 03302-0095, Fax (603) 271-7053, or bjennison@des.state.nh.us.

Copies of all documentation pertaining to rulemakings for all air rules are available for inspection at the offices of the Air Resources Division at the address stated above. The proposed rule is also posted at <http://www.des.state.nh.us/RuleMaking/>. Questions regarding this proposed rulemaking should be directed to Brian Jennison at (603) 271-0536.
